

# TACTICAL HANDGUN COURSE

## LEVEL 2

The Tactical Handgun course level 2 is a progressive training program designed to develop real world individual shooting aptitude for law enforcement, military and private security personnel. Students will familiarize with various concealed carry & draw techniques, develop marksmanship, immediate action and movement for high standard of performance and service in the industry.

This course prepares the students to survive deadly force confrontations through competent decision making and confident firearms handling skills. The skills and knowledge gained through our training services will your increase situational awareness, preparedness, response and limit personal liability.
